TERMS & CONDITIONS

ACADEMY CALENDAR

The first term will begin on 21 September 2026.

After the Christmas holidays, the academy will resume on 11 January 2027.

Classes will take place according to the day(s) and timetable assigned to each group.

PUBLIC HOLIDAYS AND SCHOOL HOLIDAYS

Public holidays and holiday periods included in the academy calendar will not be considered missed classes and therefore do not entitle participants to a refund or a make-up class.

The calendar may include periods without classes during Christmas, Easter or other holiday periods. These dates will be communicated in advance.

STUDENT ABSENCES

Individual student absences do not entitle the student to a refund or a make-up class.

If a student is unable to attend a class, we recommend informing the person in charge in advance.

Whenever possible, and always depending on availability and the level of the group, the club may offer an alternative. However, make-up classes are not guaranteed.

CODE OF CONDUCT

Students must maintain respectful behaviour at all times towards coaches, fellow students, academy staff and other users of the facilities.

Violent behaviour, insults, threats, harassment, discrimination, or any conduct that may put the safety or well-being of others at risk will not be tolerated.

The academy may take appropriate action in response to inappropriate behaviour, including temporary suspension or, in serious or repeated cases, termination of the student's place in the academy.

CANCELLATION OF A PLACE

A place is reserved for the student for the entire term.

Once the term has started, voluntary withdrawal from the academy will not entitle the student to a full or partial refund of the quarterly fee.

If a student does not wish to continue for the following term, they must notify us as soon as possible. Continuation into the next term will be subject to the availability of places and the formation of groups.

MINIMUM NUMBER OF PARTICIPANTS

In order for a group to start and continue, a minimum of 3 participants is required.

If the number of participants falls below the minimum during the term, the club may contact the participants to discuss the different options available.

CLASS CANCELLATION OR CHANGES BY THE CLUB

In the event of adverse weather conditions that prevent a class from taking place safely, the club and the academy coordinator may cancel and/or reschedule the session. In such cases, participants will be informed as far in advance as possible, and the session will be made up on another day determined by the coordinator. If a participant is unable to attend that make-up class, no further make-up session will be offered.

CHANGES OF GROUP

A change of group, day or timetable may be requested from the person in charge, but will always be subject to availability and to the student's level being suitable for the new group.

The club cannot guarantee that an alternative place will be available.

PAYMENTS

A place will be considered confirmed once the corresponding payment has been received, before classes begin.

In the event of non-payment, the club may cancel the reservation and therefore prevent the student from attending classes.

The prices indicated correspond to the academy's current conditions and may be reviewed for future terms. Any price changes will be communicated before the renewal of the following term.

EQUIPMENT

Students must attend classes wearing suitable sports clothing and footwear for playing padel.

The use of a personal padel racket is recommended. If a racket is needed, students may ask Reception about availability and rental conditions.

PERSONAL BELONGINGS

The academy is not responsible for the loss, theft or damage of personal belongings left on the premises, except where legally required.

PERSONAL DATA PROTECTION

Personal data provided by the student or, where applicable, by their legal representative, will be processed in accordance with the applicable data protection regulations.

The information will be used to manage registration, classes, payments, communications related to the activity and any other purposes that have been duly communicated and, where applicable, authorised.

The student may exercise their data protection rights through the channels indicated by the academy in its Privacy Policy.

ACCEPTANCE

Registration and participation in the academy's activities imply that the student, or their legal representative where applicable, declares that they have read and understood these Terms & Conditions and agree to comply with them.
